NOTICE OF CLAIMS/ AFFIDAVIT

COMES NOW Inupiaq Prince Louis "Agviq" Holger, son of Inupiaq Princess Lottie Wanda, daughter of Inupiaq Princess Rose, daughter of Inupiaq Chief Ahtungowra of Tikigaaq. I AM a World Citizen and a People of the Republic of Alaska, operating in my official capacity as an Article III Judge for the United States District Court District of Alaska, in this Article III Court of Record state the following:

Paul Anthony Roetman, Aaron J. Michels, and Romano D. DiBenedetto and Robert D. Lewis are unlawfully and fraudulently posing as Superior Court Judges, as well as a presiding judge at the Second Judicial District Court. ~~Paul Anthony Roetman, Aaron J. Michels, and Romano D. DiBenedetto and Robert D. Lewis are not Superior Court Judges, nor are they a Presiding Judge, Magistrate Judge, District Court Judge, nor have they ever been anything of the sort. They are all frauds! They are criminal mastermind attorneys who are licensed to practice law with STATE OF ALASKA Inc., and ALASKA BAR ASSOCIATION Inc. every single "ORDER" that they have given in "criminal proceedings", "civil proceedings", and "Child in Need of Aid Proceedings" have been and are currently fraudulent criminal orders created and processed. When they "ORDER" Native Village of Kotzebue Tribal Members to "jail" they are committing the crimes of, but not limited to, kidnapping, child human trafficking, genocide, crimes against humanity, obstruction of justice, oppression of justice, unlawful process of agency, abuse of process, malicious prosecution, apartheid, false claims, honest service fraud, constructive fraud, fiduciary fraud, aggravated physical assault.~~

from the home they are really kidnapping and selling the Native Village of Kotzebue Child Tribal Members to various corporations for their own personal financial gains. For each "order" of a Native Village of Kotzebue Child Tribal Member they are committing the heinous crimes of, but not limited to, **kidnapping, child human trafficking, genocide, crimes against humanity, obstruction of justice, oppression of justice, unlawful process of agency, abuse of process, malicious prosecution, apartheid, false claims, honest service fraud, constructive fraud, fiduciary fraud, aggravated physical assault, and aggravated physical assault on a child.**

Donald J. Trump is William Martin Walker's Chief. William Martin Walker is the Chief of Paul Anthony Roetman, Aaron J. Michels, Romano D. DiBenedetto, Robert D. Lewis, John A. Earthman, Rachel Ahrens, Megan Stewart, Courtney Lewis, Ryan Cassidy. Each individual listed above has full cognizance of their own and of the other's unlawful and fraudulent actions under deceptive practices and conspirators for their own personal financial gains. Therefore all parties are fully joined in these matters.

There is a general rule that a ministerial officer, who acts wrongfully, although in good faith, is nevertheless liable in a civil action and cannot claim the immunity of the sovereign. Cooper v. O'Conner, 99 F.2d 133

"...the particular phraseology of the constitution of the United States confirms and strengthens the principle, supposed to be essential to all written constitutions, that a law repugnant to the constitution is void, and that courts, as well as other departments, are bound by that instrument." Marbury v. Madison, 1 Cranch 137 (1803).

"Under our system of government upon the individuality and intelligence of the citizen, the state does not claim to control him/her, except as his/her conduct to others, leaving him/her the sole judge as to all that affects himself/herself." Mugler v. Kansas, 123 U.S. 623, 659-60.

"There is no system ever devised by mankind that is guaranteed to rip husband and wife or father, mother and child apart so bitterly than our present Family Court System." Judge Brian Lindsay Retired Supreme Court Judge New York, New York

The decision in the case of Doe et al, v. Heck et al (No. 01-3648, 2003 US App. Lexis 7144) of the 7th Circuit Court of Appeals found that the practice of a "no prior

1 consent interview of a child will ordinarily constitute a clear violation of the
2 constitutional rights of parents under the 4th and 14th Amendments to the U.S.
3 Constitution. According to the Court, the investigative interview of a child constitutes
4 a "search and seizure" and, when conducted on private property without "consent, a
5 warrant, probable cause, or exigent circumstances," such an interview is an
6 unreasonable search and seizure in violation of the rights of the parent, child, and,
7 possibly the owner of the private property.

8
9 The mere possibility or risk of harm does not constitute an emergency or exigent
10 circumstance that would justify a forced warrantless entry and a warrantless seizure of
11 a child. Hurlman v. Rice, (2nd Cir. 1991)

12
13 A due-process violation occurs when a state-required breakup of a natural family is
14 founded solely on a "best interests" analysis that is not supported by the requisite proof
15 of parental unfitness. Quilloin v. Walcott, 434 U.S. 246, 255, (1978)

16
17 The United States Supreme Court has stated: "There is a presumption that fit parents
18 act in their children's best interests. Parham v. J. R., 442 U. S. 584, 602; there is
19 normally no reason or compelling interest for the State to inject itself into the private
20 realm of the family to further question fit parents' ability to make the best decisions
21 regarding their children. Reno v. Flores, 507 U. S. 292, 304. The state may not
22 interfere in child rearing decisions when a fit parent is available. Troxel v. Granville,
23 530 U.S. 57 (2000).

24
25 The forced separation of parent from child, even for a short time, represents a serious
26 infringement upon the rights of both. J.B. v. Washington county, 10th Cir. (1997) Parent's
27 interest is of "the highest order." And the court recognizes "the vital importance of
28 curbing overzealous suspicion and intervention on the part of health care professionals
29 and government officials." Thomason v. Scan Volunteer Services, Inc., 8th Cir. (1996)

30
31 "Genocide by private actors violates international law." Kadic v. Karadzic, 70 F. 3d.
32 232, 239-41 (9th Cir. 1995). Sosa, 524 U.S. at 733

33
34 The UN Genocide Convention on the Prevention and Punishment of the Crime of Genocide
35

one day after the Universal Declaration of Human Rights was passed by the same forum thus became a binding legal instrument. The Genocide Convention has been in force since January 12th 1951 and outlines how member states are to deal with the crime of genocide and puts great emphasis on how to punish it, including several provisions that refer to criminal law and the accountability of individuals.

"Rightful Liberty is unobstructed action according to our will within limits drawn around us by the equal rights of others. I do not add "within the limits of the Law" because law is often but the tyrants will, and always so when it violates the rights of the individual." – Thomas Jefferson
